✓ Bleach Cleanable ✓ Acoustic ✓ Easy Install

✓ Easy Clean

Description

Zintra's Box Tiles go beyond just covering walls—they add texture, depth, and striking definition to any space, whilst providing superior acoustic benefits. With a range of standard sizes and depths, as well as large format you can tailor your design to suit your space perfectly.

Whether you're envisioning a seamless wall-to-wall installation or a striking acoustic feature, Box Tiles offer unparalleled flexibility. Perfect for commercial, hospitality, and institutional settings, they effortlessly blend style with functionality, enhancing every inch of your space.

Pitched

Inspired by sleek lines and contemporary design, Pitched brings a touch of modern sophistication and architectural elegance to your space. This captivating design creates a visually dynamic and geometrically intriguing design. With its clean lines and angular forms, Pitched adds a sense of structure and visual interest to any interior.

Available in 5 other great designs, in various sizes and depths (refer to dimensions for size specific information)

Diamond | Emerald | Hex | Rectangle | Square

So, if you're aiming to amplify the ambiance of a restaurant, hotel, or office space, Zintra's Box Tiles are a brilliant choice, delivering both captivating style and practical functionality.

Suggested Installation

Go to Technical Documents and download the Installation Guide for more details.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

Visit FAQ for more details.
