BOX BAFFLES UNIFORMED HIGH

Acoustic Baffles

Suspended box-shaped baffles are an innovative replacement to a mineral fibre lay system. Box Baffles Uniformed High are easy to assemble and install.

Description

Zintra Baffles are prefabricated, ceiling mounted systems that showcase Zintra's flexible characteristics. Zintra Acoustic Baffles are an innovative replacement to a mineral fibre lay system. Easy to assemble, easy to install and available in a large array of designs, baffles are ideally suited to large noisy spaces in educational institutions, shopping centres, restaurants, and airports.

Suspended box-shaped baffles hung in perfectly spaced rows create these high performing baffles. The box shape feature not only looks more substantial, but also increases the NRC rating by capturing sound within. Select the same shaped baffles or mix them up for added dimension.

Available in uniformed (high and low), random or mixed combinations.

Choose from one of our 12 vibrant powdercoat colors (additional charge)

How to Specify

1. Select Design
2. Select Size
3. Select Zintra Colour

Composition

Zintra Acoustic Panel - 100% Solution Dyed (Colour Through) Polyester
12mm (1/2") - Density 2.4 kg /m² 0.5 lb/ft²

- Assemble your Baffle System then suspend from the ceiling using hanging hardware supplied.
- Recommended 2 People assembly

Go to the Technical Documents and download the Installation Guide for more details.

Suggested Installation

Go to Technical Documents and download the Installation Guide for more details.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

Visit FAQ for more details.

Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.

Additional Comments

NRC Rating

- Without Air Gap: Up to 0.90
