- Supplied as a set of individual tiles.
- Arrange as required.

Go to the Technical Documents and download the Installation Guide for more details.

---

## Suggested Installation

Go to Technical Documents and download the Installation Guide for more details.

---

## Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

---

## Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
