Description

Zintra's Box Tiles go beyond just covering walls—they add texture, depth, and striking definition to any space, whilst providing superior acoustic benefits. With a range of standard sizes and depths, as well as large format you can tailor your design to suit your space perfectly.

Whether you're envisioning a seamless wall-to-wall installation or a striking acoustic feature, Box Tiles offer unparalleled flexibility. Perfect for commercial, hospitality, and institutional settings, they effortlessly blend style with functionality, enhancing every inch of your space.

Diamond

Inspired by the elegance and allure of diamonds, Diamond brings a touch of sophistication and timeless beauty to your space. This captivating pattern showcases a series of interlocking diamond shapes, creating a visually striking and dynamic design. With its refined and geometric appeal, Diamond adds a touch of modern luxury to any interior.

Available in 5 other great designs, in various sizes and depths (refer to dimensions for size specific information)

	• Supplied as a set of individual tiles.
	• Arrange as required.
	Go to the Technical Documents and download the Installation Guide for more details.
Suggested Installation	Go to Technical Documents and download the Installation Guide for more details.
Care Instructions	Vacuum to remove dust.
	Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.
	For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.
	Always test in an inconspicuous area first and if you don't see the expected results, contact us.
Warranty	Visit FAQ for more details.
