Description

Zintra Emboss Panels brings a touch of luxury to acoustic solutions, combining timeless craftsmanship with advanced technology. These tactile three-dimensional panels create an immersive experience that transforms the ambiance of any space. The warm heather of Zintra softens the environment, ensuring that even the most austere spaces feel inviting.

Designed for seamless installation, Zintra Emboss Panels can be installed both vertically or horizontally, offering versatile design possibilities. They provide more than just noise absorption—they tell a story with every surface. Their intricate patterns and dynamic visual effects shift with perspective, adding depth and warmth to any room, making conversations flow effortlessly without echoes or disturbances.

Woven

Inspired by the intricate patterns of rattan and woven leather, "Woven" embodies the enduring appeal of hand-crafted artistry. This design taps into the current trend of natural materials, bringing a textured, authentic warmth to any setting. Its repeatable pattern ensures seamless application, while a thoughtful selection of colors allows the design to adapt effortlessly to different aesthetics.

Whether understated or bold, "Woven" adds tactile elegance, bridging the gap between traditional craftsmanship and contemporary design.

Available in 18 great designs.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
