## Description

Zintra Etch, where acoustic absorption meets dynamic 3D design. With a range of subtle textures, Zintra Etch brings cutting-edge aesthetics and acoustic functionality to your commercial, hospitality, or institutional interior.

Discover the extensive selection of understated to statement Colours in Zintra Etch, allowing you to create a welcoming atmosphere while effectively managing sound. This cost-effective sound and design solution cultivates calming environments, promoting productivity and well-being.

Zintra Etch seamlessly integrates with plain Zintra panels, offering versatility in design coordination.

Experience the benefits of Zintra Etch, including pattern matching with seamless hidden joins (excluding VJ Angle and Kaleido). The panel size enables join-free installations from floor to ceiling, making the fitting process effortless.

Demi features fluid, elongated forms that create a sense of continuous flow across the surface. With its organic curves and balanced proportions, this design offers subtle movement and depth, bringing a soft yet dynamic texture to any space.

Zintra Etch is available in 24 great designs
